Central Intelligence  
Deputy to DCI for National  
Intelligence Programs Evaluation

SUBJECT: Comments by  re CIA/AF  
Relationship in General Greer's  
Office

25X1

In the process of researching the CORONA  
management problem, I had a long session with  
 working  
for General Greer on the West Coast. I found his  
comments both penetrating and objective and asked  
him to set them down for our continuing use. The  
attached comments are those he dictated.
